Hovercraft driving

The hovercraft provides an unusual test of co-ordination skills and an element of competition. Each hovercraft is managed by an experienced instructor who ensures the programme runs smoothly and the clients get the most out of the machines. These safe air cushion machines are easy to drive and promise an exciting and rewarding day out for everyone.

Axe Throwing

Release your inner warrior - this is your opportunity to get to grips with the art of Axe Throwing! Your session will start by practicing with close range throws using training or "angel" axes, which give you greatest chance of getting a "stick", before moving back to use larger, longer range tomahawks axes. Each session finishes with a mini mountain man competition!

4x4 Land Rover Driving

Guests must negotiate our specially designed track with elephant steps, water splashes and axel twister. This is an exhilarating activity and will test your skill and driving knowledge to the maximum.
